– Two routes to quicker quoting from Legal & General

Like you, we think that quoting and managing general insurance should be quick, easy and hassle-free. And, we understand that sometimes you need to quote anytime, anywhere. So, we have invested in our technology, finding innovative ways to deliver the best tools for you.

The result – our new online system, **OLP Connect** is now live alongside our existing quote and apply tool, **Giology**.

Our two systems provide you with flexibility...

Find out which system best suits your needs – or use both together.

Both **OLP Connect** and **Giology**:

- are quick and easy to use
- offer access to our latest household and mortgage payment protection insurance (MPPI) products and
- are designed to enable you to sell more general insurance business.

OLP Connect offers:

An **online** system, meaning:

- you can access your cases from any PC
- you can sell protection and general insurance using one integrated system
- a policy number is issued on submission of the online application
- less referrals – we can now accept more of your clients without the need for referral, due to our enhanced interactive underwriting questions and;
- you have access to bank validation – enter your clients sort code and it will immediately verify the branch name
- you can view your clients overall cost – if your client selects a protection and general insurance product, see the overall cost in one visible place
- use of the 'Quick' address look up facility.
